Jan

At the next GE Pension Board meeting, we will advise the Board of the City Council's approval "in concept" of offering participant's in the GE pension plan's Deferred Retirement Option Program another investment option. Our office will then prepare an appropriate ordinance for the City Council's consideration. Should you have any questions in the meantime, please call.

Please email me something that simply confirms our conversation last week and that you are working on preparing the ordinance. I have a City Council meeting tonight and I would like to give them copies of your email. JKS

Hi Jan

I hope all is well and you and your family are enjoying the holidays. We received a letter from Jim Borgmann regarding an ordinance amending the GE pension plan's DROP. I believe you were copied on the letter. Could you please give me a call when you have a chance so we can discuss the next step.

Thanks so much.
